**RE: Baby's DHA for the Australian Market**

Dear Valued Customer,

Nordic Naturals® is pleased to offer Baby's DHA in Australia. This authentic Nordic Naturals product features a unique formulation and label for the Australian market. The product maintains the superior quality that you can expect from Nordic Naturals. Recent changes to the Australian Baby's DHA include:

- The product is no longer fortified with vitamin D
- The product label colour has changed from light purple to light peach

Baby's DHA is endorsed by the American Pregnancy Association and is distributed exclusively through Research Nutrition, our authorised distributor in Australia. Please contact Research Nutrition directly on 1800 110 158 should you have any further questions regarding Baby's DHA.

Thank you for your continued support of the Nordic Naturals brand.

In health,

A handwritten signature in grey ink, appearing to read 'Chris Rundell'.

Wild caught. Exceptionally fresh and pure.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

**Friend of the Sea certified.**

**Serving Suggestion:** 1 mL daily. Clean dropper thoroughly between each use, especially if dropper contacts child's mouth. Store bottle with original cap in refrigerator.

**Do not take if tamper-evident seal is broken or missing.**

**Refrigerate after opening.**

**Best if used within 3 months after opening.**

**Keep out of the reach of children.**
